Angels - Painted Palms
She didn't understand that I was having trouble in my head
She didn't understand that I was having trouble in my head
And I kept listening to all the things that no one ever said
Yeah, I kept listening to all the things that no one ever said
She, She says that everything is fine
She, She says: as long as were in
In her mind in her, everywhere, I'll be fine
Fine
And after all of it I'm not sure that I really learn think
Went to the city and invited any chance to marry me
Cause I kept seeing angles there
But they never were looked back at me
And to get over that, I started making things that gave me peace
She, She says that everything is fine
She, She says: as long as were in
In her mind in her, everywhere, I'll be fine
Fine
Fine
Fine woh woh woh
Fine woh woh woh woh
Fine woh woh woh
Fine woh woh woh
Fine woh woh woh
