

See You Again

Turner Jackson

Chorus:

When Something else is over,
Something new begins,
Ain't no thing here baby
I shall see you again
(x2)

Ahh, I'm out
(x2)

Verse 1:

I ain't got no time to wait,
I'm pickin up, packin up - scramblin'
jammin' on the road to let everybody know
I'm tired of sitting at home alone
caught up in my thoughts
with your dress caught up in my heart
they're in the same body but they're worlds apart
I've seen you with my eyes
???

Oh, she bad!

That just registered up in my mind (?)
Who the fuck thought she'd be somebody I like?
Well that's alright, you win some and you lose some,
But the game ain't over,
and I play for keeps until the bank roll over
I done placed my bets, I done just cashed in,
I'm comin' in for the win,

Chorus:

When Something else is over,
Something new begins,
Ain't no thing here baby
I shall see you again
(x2)

Ahh, I'm out
(x2)

Verse 2:

I ain't got no time to waste,
So I'm going for today,
And everything I want,
No matter who you are,
You can't stand up in my way,

You got love? I'll have it,
You want love? I got it
(x2)

Bridge:

One rule, be honest
(x2)
And then we'll get beyond it
(x2)

Chorus:

When something else is over,
Something new begins,
Ain't no thing here baby
I shall see you again
(x2)

Ahh, I'm out
(x2)

Outro:

When something else is over,
Something new begins,
Ain't no thing here baby
I shall see you again.
