Don't Fight It

Steve Perry

Advisory - the following lyrics contain explicit language:

Live long enough
You`re bound to find
Moonshine`ll make
A man go blindNever can tell
What the brew will do
But there`s times you`ll
Wind up feeling so fineSome womenSeem to have a knack
They`ll turn you on
And leave you flatNever can tell
Who`s playing for keeps
So tell me what`s holding you back
I know your heart can take itDon`t fight it, don`t fight it
Don`t fight it, it`ll do
Your heart so good
Don`t fight it, don`t fight it
Don`t fight it, it`ll do
Your heart so good
Don`t fight it, don`t fight it
Don`t fight it, it`ll only do you goodSome people
When they hear a groove
Shake their heads
Cause they just can`t approveWell, I turn up the music
Til it`s shaking the sky
Is everybody ready to moveThere`s times you
Wanna shake yourself
There`s nights you
Wanna yell for helpYou can fly when
You`re standing still
And there`s nothing wrong
With raising some hell
Tonight, we`re gonna raise itDon`t fight it, don`t fight it
Don`t fight it, it`ll do

Your heart so good
Don`t fight it, don`t fight it
Don`t fight it, it`ll do your heart soDo what mama do
Do what daddy do
When you gonna
Make up your mindYou can run
But love will find you
Ready or not, here it comesDon`t fight it, don`t fight it
Don`t fight itDon`t fight it, don`t fight itDon`t fight it, don`t fight it
Don`t fight it, it`ll do
Your heart so good
Don`t fight it, don`t fight it
(So good, so good)
Don`t fight it, don`t fight itDon`t fight it, don`t fight it
Don`t fight it, don`t fight it...
