

All Things New (Chris Stevens Radio Mix)

[Nicol Sponberg](#)

This old earth is fading and our hearts are aching
So we let go of our possessions, leave behind our successes
To take hold of one obsession, only Jesus So we watch and we wait and we hope and we pray
You will come and make all things new and we won't be afraid
As we long for the day You will come and make all things new
All things new
(All things new) We live here as strangers and brokenness we labor
We hold on with expectations for the day of our redemption
Grateful still that You were patient with us, Lord
Oh, oh, so we watch and we wait and we hope and we pray
You will come and make all things new and we won't be afraid
As we long for the day You will come and make all things new
(All things new)
Come and make all things new Our struggle here cannot compare to what we have to gain
Thank You, Lord
Our struggles here cannot compare to what we have to gain So we watch and we wait and we hope and we pray
You will come and make all things new and we won't be afraid
As we long for the day You will come and make all things new
All things new
(All things new)
So we watch and we wait and we hope and we pray
You will come and make all things new and we won't be afraid
As we long for the day You will come and make all things new
All things new
(All things new) Come and make all things new
Come and make all things new
Come and make all things new
