Tell Me She's Nothin'

Nivea

I seen her and her demeanor
She wanna take u from me
And i know it
I gotta show her
That she'll never get ya from me
U used to kiss her
Do u miss her
Do u see pieces of her in me
What are u thinking
What are u dreaming
Cause I got this feeling
So say it boy say it
Tell me u love me
Tell me u care
Tell me she's over
Tell me she's nothing
Cause she didnt love u
And I need u baby
Tell me she's over
Tell me she's nothing
Feels like competiton
For ur attention
But it aint no losing me
And my cadence may sound impatient
But I cant help thinking
Maybe karmas coming back around on me
Used to kiss her
Do u miss her
Tell me do u see her when u see me
Wat are u thinking

Wat are u dreaming
Cause I got this feeling
So say it boy say it
Tell me u love me
Tell me u care
Tell me she's over
Tell me she's nothing
Cause she didnt love u

And I need u baby
Tell me she's over
Tell me she's nothing
Hey
Whats really going on
I gave u everything
That u wanted
Do u want her or do u want me
Tell me u love me
Tell me u care
Tell me she's over
Tell me she's nothing
Cause she didnt love u
And I need u baby
Tell me she's over
Tell me she's nothing
Tell me u love me
Tell me u care
Tell me she's over
Tell me she's nothing
Cause she didnt love u
And I need u baby
Tell me she's over
Tell me she's nothing
