

# Ophelia on My Mind

Alberta Cross

When it chimed  
You got away with my mind  
Hard to give  
You got my heart in a twine  
Try to know I can't believe it  
You gotta stay strong  
Inside a heartache  
You gotta live on Ophelia  
You put a wake to my time  
Hard to live  
You walked away with my mind  
Try  
Say no I can't believe it  
You gotta stay strong  
Inside a heartache  
You gotta live on I can't believe it  
You gotta stay strong  
Inside a heartache  
You gotta live on Live out your needs  
Live out your needs I can't believe it  
You gotta keep on  
Outside a heartache  
You gotta live on I can't believe it  
You gotta stay strong  
Inside a heartache  
You gotta live on
