

# Juke Joint Jumpin'

Wayne Hancock

The stars are shining in the east Texas air  
Another fifteen minutes and I'm gonna be there  
It's been a long drive  
But everything is going alright  
I'm on the gladewater highway  
Going juke joint jumping tonight

The juke joint's honey where I learned how to sing  
Where they honky tonk all night  
And hank Williams is king  
We're gonna do a little dancing  
Keep at it 'till broad daylight  
We're on the gladewater highway  
Going juke joint jumping tonight

I might go dancing or shooting pool  
It's a hip trip baby and the cats are all cool  
It's the real thing and it sure is a welcome sight  
It's where I cut my teeth  
And I'm going joint jumping tonight

So next time you go travel  
Brother here's a good plan  
Get your automobile and go to texarkan  
You're gonna do a little driving  
Keep at it 'till broad daylight  
You're on the gladewater highway  
Going juke joint jumping tonight
