

The Thames

Starsailor

Is love just a big mistake?
Just a risk that we all take
Trying to keep the blues away? Is love just a means to an end?
Back when you were my girlfriend
Had some one I could defend I'll sit by the riverside
Counting all the ways to make you stay
When I think of you and I
I know I'll be back with you some day Is love just a big mistake?
Just a choice we have to make
Trying to keep the blues away? I'll sit by the riverside
Counting all the ways to make you stay
When I think of you and I
I know I'll be back with you some day Oh, the birds and the bees
The leaves on the trees
Die all at once now that you're gone
I know that I will be back in your arms once again The birds and the bees
The leaves on the trees
Die all at once now that you're gone
I know that I will be back in your arms once again I'll sit by the riverside
Counting all the ways to make you stay
When I think of you and I
I know I'll be back with you some day Oh, is love just a big mistake?
Just a risk that we all take
Trying to keep the blues away?
