

Everything to Someone

Opshop

Forgive yourself
leave me to the world
never let your future or your past
bring you down
'cause no one else can sing your song
quite like you
no one else can dance your dance

you can't be
everything to everyone
you can't be
everything
you can be
everything to someone

you think you need to be so strong
you think you need to be
so strong
so no one can deserve you
no one can hurt you
no sleeping giant... could hurt you???

you can't be
everything to everyone
you can't be
everything
you can't be
everything to everyone
you can be everything to this someone

(one)...
(someone)

you can't be
everything to everyone
you can't be
everything
to the world you are one person
to one person you are the world
you can be everything to this someone

you are everything to this someone
