

On My Way

Talib Kweli

I'm on my way Whether sunny or rain
I'm on my way
Destiny is preordained
I'm on my way Whether ecstasy or pain
I'm on my way
I'm black and free from your chains
I'm on my way Whether sunny or rain
I'm on my way
Destiny is preordained
I'm on my way Whether ecstasy or pain
I'm on my way
I'm black and free from your chains
I'm on my way
