

# You're My Baby

## Jazzhole

You're my baby, my baby  
You're my sweet, sweet child  
You're my only love  
You're like a baby  
Jumping up and down  
Ooh, like a baby  
I can't put you down  
And when you cry  
I'll pacify you  
Here in my arms  
You're safe and warm  
You're my baby, ooh baby  
You're my sweet, sweet child  
You're my only love  
You're my baby, ooh baby  
You're my sweet, sweet child  
You're my only love  
You're part of me  
And I'm part of you  
You're living proof  
Of my dream come true  
Here in my walls  
I will protect you  
I'll tell you straight up  
Re-educate you in love  
You can trust me  
You can be all you  
Want in front of me  
You can pout, you can smile  
You don't have to be perfect  
'Cause you're perfect  
The way that you are  
You're my baby, ooh baby  
You're my sweet, sweet child  
You're my only love  
You're my baby, ooh baby  
You're my sweet, sweet child  
You're my only love  
I'll sing to you

Ooh, my lullaby  
I'll sing to you  
My sweetest goodbye  
I'm your lover  
I'm your blanket  
You don't have to be afraid  
Of the monsters in your closet  
You're my baby, ooh baby  
You're my sweet, sweet child  
You're my only love  
You're my baby, ooh baby  
You're my sweet, sweet child  
You're my only love  
I'll sing to you, I'll sing to you  
It's my lullaby  
A sweet kiss goodnight  
I'll sing to you  
You're my baby, ooh baby  
You're my sweet, sweet child  
You're my only love  
You're my baby, ooh baby  
You're my sweet, sweet child  
You're my only love  
You're my baby, ooh baby  
You're my sweet, sweet child  
You're my only love  
You're my baby, ooh baby  
You're my sweet, sweet child  
You're my only love  
You're my baby, ooh baby  
You're my sweet, sweet child  
You're my only love  
You're my only love  
You're my only love  
You're my only love  
You're my baby, ooh baby  
You're my sweet, sweet child  
You're my only love  
You're my baby, ooh baby  
You're my sweet, sweet child  
You're my only love
