

# Exhuming McCarthy (2012 - Remaster)

## R.E.M.

You're beautiful more beautiful than me  
You're honorable more honorable than me  
Loyal to the Bank of America It's a sign of the times  
It's a sign of the times You're sharpening stones walking on coals  
To improve your business acumen.  
Sharpening stones walking on coals  
To improve your business acumen. Vested interest united ties landed gentry rationalize  
Look who bought the myth by jingo buy America It's a sign of the times  
It's a sign of the times You're sharpening stones, walking on coals  
To improve your business acumen.  
Sharpening stones, walking on coals,  
To improve your business acumen. Enemy sighted, enemy met, I'm addressing the realpolitik  
Look who bought the myth, by jingo, buy America "Let us not assassinate this man further Senator,  
You've done enough. Have you no sense of decency, sir?  
At long last, have you left no sense of decency?" We're sharpening stones, walking on coals  
To improve your business acumen.  
Sharpening stones, walking on coals,  
To improve your business acumen. Enemy sighted, enemy met, I'm addressing the realpolitik  
You've seen start and you've seen quit  
(I'm addressing the table of content)  
I always thought of you as quick  
Exhuming McCarthy  
(Meet me at the book burning)  
Exhuming McCarthy  
(Meet me at the book burning)
