Company

Lower Dens

I wish,
I could feel
anything
at all.
But I'm
just a pile
of want
and doubt.
We are having people over late on.
Bring, Caroline and the effigies.
There
are days
when I
imagine myself
falling
throug space
for
the rest of time.
Come right and sit beside the fire.
We'll have somenone bring you a tray of pigs in blankets.
You look.Really umcomfortable
if I'm being honest.Is there something we should know about.
We just want to help.Oh look it's Pendergast and his associates,
they 'll know just what to do.In fact I think they've seen this kind of thing before.
Don't worry, relax, you'll be fine, just lie back and stop squirming.
Please listen to us, we have the best interest in mind.
We've had our eyes on you for long long time.
We want to explore infinite possiblities of knowing you. You'll see for yourself.
We, will be welcoming you to the inner lair.Wont be long.Babe, hush now this won't hurt al all.
