

I Stay in Love

Mariah Carey

Oh baby
(Baby, I stay in love with you) Dying inside 'cause I can't stand it
Make or break up
Can't take this madness
We don't even really know why
All I know is baby
I try and try so hard
To keep our love alive If you don't know me at this point
Then I highly doubt you ever will
I really need you to give me
That unconditional love I used to feel
It's no mistaking
We're just erasing
From our hearts and minds And I know we said let go
But I kept on hanging on
Inside I know it's over
You're really gone
It's killing me
'Cause there ain't nothing
That I can do
Baby, I stay in love with you And I keep on telling myself
That you'll come back around
And I try to front like "oh well"
Each time you let me down
See I can't get over you now
No matter what I do
But baby, baby
I stay in love with you Na na na na na na na na na na
Na na na na na na na na na na
Na na na na na na na na na na
(Baby, I stay in love with you) It cuts so deep
It hurts down to my soul
My friends tell me
I ain't the same no more
We still need each other
When we stumble and fall
How we gon' act
Like what we had
Ain't nothin' at all now Hey, what I wanna do is

Ride shotgun next to you
With the top down like we used to
Hit the block
Proud in the SUV
We both know our heart is breaking
Can we learn from our mistakes
I can't last one moment alone
Now go I know And I know we said let go
But I kept on hanging on
Inside I know it's over
You're really gone
It's killing me
'Cause there ain't nothing
That I can do
Baby, I stay in love with you And I keep on telling myself
That you'll come back around
And I try to front like "oh well"
Each time you let me down
See I can't get over you
Now no matter what I do
But baby, baby
I stay in love with you And I know we said let go
But I kept on hanging on
Inside I know it's over
You're really gone
It's killing me
'Cause there ain't nothing
That I can do
Baby, I stay in love with you And I keep on telling myself
That you'll come back around
And I try to front like "oh well"
Each time you let me down
See I can't get over you
Now no matter what I do
But baby, baby
I stay in love with you I stay in love
Love
Oh, I stay in love (I stay in love with you)
I stay in love
