Aphelion: Light Evanescence: Into Extinction

And Oceans

It's a crime - it is a crime to be innocent
In life - in this life and presence
All life - all life is indifferent
Now's when - when all's past and gone[Chorus:]
Turn away - fade away
Turn away - fade awayIt's a crime - it is a crime to be silent
When colours - when colours have no nuance
You little - you little insects
Splashed out - splashed out of all essenceFade away - fade away
Fade away - closer every day
