

5 Dollers

S

So for now it's guaranteed
that I will always like you more.
I'm always in this shirt
and it's always just a little bit too small.
I paid 5 dollers yesterday
just to see you for a second
but someone's head was in my way again
like it always is. I guess you'll always be that girl
who just won't notice I exist here
cus' this is such a small town.
Do you not see me standing right here?
So if I pass out when you walk by
it's probably cus you looked at me--
God I've already said too much.--That's the end. It just ends like that.
