Yeah It's 4MINUTE and Brave sound,
Let go

A-ha a-ha ah ah a-ha
A-ha a-ha

Whatcha doin today (4minute)
Whatcha doin later (ha)
whatcha doin on the weekend (let's go)
Lalala lalala

Whatcha doin today (4minute)
Whatcha doin later (ha)
whatcha doin on the weekend (let's go)
Wanna meet up? (Come on)

Have no where to go after school?
Have nothing to do after the housework is done?
Wandering around after work?
I hate the same old boring days

You do everything you have to but have nothing else to do
People who are looking for something to do
People who turn on boring TV shows
and laugh along
Come inside, come inside here,
play with me for today
Everyone listen, just listen first,
whatcha doin today, everyone listen

Donâ€™t try to make things up, just enjoy life
The world is a bright place
Fall in love,
have fun, Iâ€™ll call you later

Whatcha doin today
Whatcha doin later
Whatcha doin on the weekend
Lalala lalala

Whatcha doin today
Whatcha doin later
Whatcha doin on the weekend
Wanna meet up?

Watch a movie, eat good food, meet some guys
I wanna drink a cup of americano and just talk
Letâ€™s go crazy all night, tonight,
everyone together, party tonight

Stop worrying so much,
everything will be fine
(everything will be fine)
Stop frowning and smile brightly
Ha ha ha ha ha ha

I love that
Show me the lol face
Hardened by grimy stress
Escape from those days for 4 minutes
Fill your surroundings with laughter
People who look far to the mountains blankly
People who are tired from life
Come gather here, we gon rock it kill it
Thatâ€™s how we do it

Donâ€™t try to make things up, just enjoy life

The world is a bright place
Fall in love,
have fun, Iâ€™ll call you later

Whatcha doin today
Whatcha doin later
Whatcha doin on the weekend
Lalala lalala

Whatcha doin today
Whatcha doin later
Whatcha doin on the weekend
Wanna meet up?

Watch a movie, eat good food, meet some guys
I wanna drink a cup of americano and just talk
Letâ€™s go crazy all night, tonight,
everyone together, party tonight

A-ha a-ha ah ah a-ha
A-ha a-ha, Come on, Letâ€™s party yo

A-ha a-ha ah ah a-ha
A-ha a-ha 1, 2, 3 Go

Whatcha doin today (4minute)
Whatcha doin later (ha)
whatcha doin on the weekend (letâ€™s go)
Lalala lalala

Whatcha doin today (4minute)
Whatcha doin later (ha)
whatcha doin on the weekend (letâ€™s go)
Wanna meet up?
Whatcha doin today
