Desert Soul

Rend Collective Experiment

I love You Lord
But I want to love You more
I need You God
But I want to need You moreI'm desperate for a desperate heart
I'm reaching out, I'm reachingAll that I am is dry bones
Without You Lord, a desert soul
I am broken but running
Towards You God, You make me wholeI'm lost without
Your creative spark in me, recreate me
I'm dead inside
Unless Your resurrection singsI'm desperate for a desperate heart
I'm reaching out, I'm reachingAll that I am is dry bones
Without You Lord, a desert soul
I am broken but running
Towards You God, You make me wholeOh oh oh (a desert soul)
Oh oh oh (without You Lord)
Oh oh oh
Oh oh oh
You are what we need You are exactly what we need
Only You can satisfyYou are exactly what we need
Only You can satisfyAll that I am is dry bones
Without You Lord, a desert soul, a desert soul
I am broken but I'm running
Towards You God, You make me whole, You make me wholeAll that I am is dry bones
Without You Lord, a desert soul
I am broken but I'm running
Towards You God, You make me whole, You make me wholeYou are exactly what we need
Only You can satisfy
