ENG:

Some people live to show off what kind of expensive things they have  
But I'm not one of those people, I'm a member of the club of mushroom pickers  
Never would have thought that these grandmothers and aunts  
They rest more steeply than the young people on trendy get-togethers

It is pleasant to talk with them and time passes unnoticed  
Sometimes I do not notice how I spent in the woods with them for more than a week  
We eat mushrooms and walk in the woods  
And we will see inexplicable things in the forest

Mushroom season at it's peak  
let's go to collect mushrooms! »
