

Have a Little Faith In Me

Joe Cocker

When the road gets dark
And you can no longer see
Let my love throw a spark
And have a little faith in me
And when the tears you cry
Are all you can believe
Give these loving arms a try, baby
And have a little faith in me
And have a little faith in me
And have a little faith in me
Have a little faith in me
And when your secret heart
Cannot speak so easily
Come in darlin' from a whisper start
To have a little faith in me
And when your back's against the wall
Just turn around and you'll see
I will catch you, I will catch your fall
To have a little faith in me
And have a little faith in me
Baby, have a little faith in me
And have a little faith in me
Have a little faith in me
When the road is dark
And you can no longer see
Let my love throw a spark
And have a little faith in me
Have a little faith in me
Heavenly have a little faith in me
And have a little faith in me
Have a little faith in me
I've been loving you
For such a long time, girl
Expecting nothing in return
Have a little faith in me
You know time, time is our friend
Have a little faith in me
I will hold you up, I loved you
Girl, have a little faith in me
Cause it is not too late
Have a little faith in me
