

neverending dream

Cascada

I'm waiting for the night
drifting away on the waves of
my dreams to another day.

I'm standing on a hill
and beyond the clouds,
the wind's blowing still and catching my doubts.

I'm hunting all the night
a slave to my dream
an illustrated scene descends in the steam
We're playing for the fights emotional games
I'm turning off my eyes and hiding my shame

Chorus (repeat)
A neverending dream a dream of you
I believe I received a sign of you
tonight I want to hide my feelings too
as you do and I wanna be with you

I'm waiting for the night
drifting away on the waves of
my dreams to another day
I'm standing on a hill and
beyond the clouds
the wind's blowing still and
catching my doubts

I'm watching all the flowers
dying away in heated breath of
life at the dawning day

I'm waking up in spring and
kissing your face the
sweet immuring thing I feel in
your embrace

A neverending dream.....

Chorus (repeat)

A Neverending dream a dream of you
I beleive I received a sign of you
tonight I want to hide my feelings too
as you do and I want to be with you
