TiÑ'sto

Burn the books
They've got too many names and psychoses
All this incriminating evidence would surely haunt me
If someone broke into my house
Suits in the living room
Do you realize guys I was born in 1974?
We've got someone here to explain your publishing
We know how much you love to be in front of audiences
Hopeful you are
School bound you are
Naive you are
Driven you are
Take a trip to New York with your guardian and your fake identification
When they say, "Is there something, anything
You'd like to know young lady?"

You said, "Yes I'd like to know what kind of people I'll be dealing with"
Precocious you are
Headstrong you are
Terrified you are
Ahead of your time you are
Don't mind our staring but we're surprised you're not in
In a far-gone asylum
We're surprised you didn't crack-up, Lord knows that we would've
We would've liked to have been there but you keep pushing us away
Resilient you are
Big time you are
Ruthless you are
Precious you are
