

Break Me

Gary Valenciano

No words are left now to be spoken
When all my promises are broken
And all excuses I have used in justifying
My actions move me so much closer to the fire
But now I know seems I've lost my soul.

Make me and take me
Can You find me in this world I've chosen
And never let me go
Hold me and mold me
And if there's no other way to make whole
Go ahead and make me then remake me
Holding on I won't give up
Cause I know you won't give up on me.

Grown weary of my ways, pretending
Showing I'm okay when I am hurting
But now I know time to find my soul.

Make me and take me
Can You find me in this world I've chosen
And never let me go
And hold me and mold me
And if there's no other way to make me whole
I've been to proud
Now I don't know where to go
But like the son who came back home
I'm giving You my life, my mind, my heart, my soul
I'm trusting You with love to break me
Then to make me whole.

Can you find me in this world I'm lost in
And never let me go
Hold me and mold me
And if there's no other way to make me whole
Go ahead and break, break me, gently remake me
Holding on I won't give up, cause I know you won't give up on me
You're? never giving up on me

No,no,no,no

You're never giving up on one like me.
