Safe & Sound

Jackie Evancho

I remember tears streaming down your face
When I said, "I'll never let you go"
When all those shadows almost killed your light
I remember you said, "Don't leave me here alone"
But all that's dead and gone and passed tonightJust close your eyes
The sun is going down
You'll be alright
No one can hurt you now
Come morning light
You and I'll be safe and soundDon't you dare look out your window darling
Everything's on fire
The war outside our door keeps raging on
Hold onto this lullaby
Even when the music's gone
GoneJust close your eyes
The sun is going down
You'll be alright
No one can hurt you now
Come morning light
You and I'll be safe and soundOooh, Oooh, Oooh, Oooh
La La (La La)
La La (La La)
Oooh, Oooh, Oooh, Oooh
La La (La La)Just close your eyes
You'll be alright
Come morning light,
You and I'll be safe and sound...Oooh, oooh, oooh, oooh oh oh
