

# Always Will

Wynonna Judd

If time is a train rollin' down the track  
Every minute is a box car that don't come back  
Take a look around you, it's all gonna change  
Whatever you see ain't never gonna stay the same  
Except for the rain and the wind in the trees  
And the way I feel about you and me [Chorus]  
And the way I feel when I'm with you  
Is like the roll of the ocean  
And the calm and quiet of the moon  
And when you hold me time stands still  
It always has and you know it always will  
Out on the horizon the sun is goin' down  
It ain't gone, it's just on its way around  
Just like your love I see it every day  
In the things you do and the things you say  
You touch my hand and I feel the thrill  
I always have and I always will [Chorus: x 2]
