

# I Got Love For You

## Michael Franti & Spearhead

Another morning has come and the sun is high  
But I know that today is the day that I might cry  
Because I know you're going  
And I know you're leaving  
To somewhere you hope to find  
The peace of mind you're seeking  
In the back of a Greyhound bus, it'll take you far  
In the back of a Greyhound bus, you can be who you are  
And I say  
La-la-la, la-la-la, la-la-la, la-la-la, la la  
I got love for you  
I got love for you  
So I'll be waiting, my dear, u-huh  
Waiting right here, u-huh  
Waiting, my dear, u-huh  
Waiting right here, u-huh  
I remember the time back when we was home  
In and out, up and down, in this life, what a crazy road  
It's been a long time that I shoulda said what I tell now  
That I got faith in you and I believe in you  
In the dark of the night in the hotel when you're alone  
In the middle of the city where nobody cares to know  
On the top of the town in the glimmer of the shining lights  
You just shine on now, you just shine on now  
And I say  
La-la-la, la-la-la, la-la-la, la-la-la, la la  
I got love for you  
I got love for you  
So I'll be waiting, my dear, u-huh  
Waiting right here, u-huh  
Waiting right here, u-huh  
And I've got love for you, love for you, love for you  
And I know that you can't say for  
sure  
When you're coming home  
But I got faith in you and I believe in you  
And I say  
La-la-la, la-la-la, la-la-la, la-la-la, la la  
I got love for you  
I got love for you  
Another evening's come and the moon is high  
But I know that tonight is the night that I might cry  
Because I know you're going  
And I know you're leaving  
To somewhere you hope to find  
The peace of mind you're seeking  
In the back of a Greyhound bus, it'll take you far  
In the back of a Greyhound bus, you can be who you are
