

Lonesome and a Long Way From Home

Jerry Garcia Band

Out on the open highway
Such a lovely day but something's wrong
Something, something must be wrong Just left home this morning
This old road keeps rolling on and on
Rolling, rolling on and on Won't somebody help me?
Somebody help me?
Somebody help me?
Somebody help me I've never been so lonesome and long way from home
Never been lonesome and long way
Never been lonesome and long way from home Out on the open highway
Such a lovely day but something's wrong
Something, something must be wrong Just left home this morning
This old road keeps rolling on and on
Rolling, rolling on and on Won't somebody help me?
Somebody help me?
Somebody help me?
Somebody help me? I've never been so lonesome and long way from home
Never been lonesome and long way
Never been lonesome and long way from home
