Capital City

Sema 4

Nerve and nerve
This coastline swerves
To a city that they live onI walk on by
Animals cry
To a city that they live onTo a city that they walk on
To a city that they live onPulse, pulse, pulse
Feel
Pulse, pulse, pulseThis train is late, I hesitate
To a city that they live on
Dance the dance of violenceTo a city that they live on
To a city that they crawl on
To a city that they live onPulse, pulse, pulse
Feel
Pulse, pulse, pulseCity that they live on
Feel
To a city that they crawl onCity that they live on
Feel
City that they crawl onTo a city live on
Feel
City that they crawl on
