

A While Ago and Now

Joseph Pfeifer

I'm not the same man
That I used to be
I once dreamt that God could do
Extraordinary things But somewhere between
A while ago and now I stopped believing
I began retreating
Got stuck in defeat
And never got up again I packed my bags and I was off
Did whatever I wanted
I found a hive of bees
I was warned don't touch
But I did and I got stung With both my hands and my eyes
Swollen up and shut tight
I wanted you more than anything
For help did I cry But I stopped believing
I began retreating
Got stuck in defeat
And never got up again I stopped believing
I began retreating
I stopped believing Oh make me new again
Could you make me whole again
