These Kids Wear Crowns

I, I've been thinking it's a sign
That you, you've been thinking about me You got me counting down the days,
And it's taking forever, and ever
But I am still singing myself to sleep So don't forget about me when I'm gone,
The way we spent those nights singing along,
And I'll be waiting for you
(I'm waiting for you, I'm waiting for) So don't forget about me when I'm gone,
The way we spent those nights singing along,
And I'll be waiting for you We, we've been waiting for a while
And I'm contemplating,
If the words that I said should remain in my head. You got me counting down the days,
And it's taking forever, and ever
But I am still singing myself to sleep So don't forget about me when I'm gone,
The way we spent those nights singing along,
And I'll be waiting for you
(I'm waiting for you, I'm waiting for) So don't forget about me when I'm gone,
The way we spent those nights singing along,
And I'll be waiting for you You know that were, calm collected and cool
And we clap our hands to the rhythm to the beat
And the sounds inside the school and if were,
Turn it up, Turn it up, yeah then well,
Take it off. You know that were, calm collected and cool
And we clap our hands to the rhythm to the beat
And the sounds inside the school and if were,
Turn it up, Turn it up, yeah then well,
Take it off. So don't forget about me when I'm gone,
The way we spent those nights singing along,
And I'll be waiting for you
(I'm waiting for you, I'm waiting for) So don't forget about me when I'm gone,
The way we spent those nights singing along,
And I'll be waiting for you
(I'm waiting for you, I'm waiting for)
