Try (DJ Observer & Heatcliff Radio Edit)

Cosmic Gate

Please don't turn away when I'm talking to you
'Cause I don't like leaving things unwound like this, do you?
Two steps forward, one step back
Moving too slow, you're way off track
But are we out of our minds?
Out of our minds, out of our mindsTry, put our egos aside
Why can't we just try?
It's all I'm asking us to do, I still love youTry, put our egos aside
Why can't we just try?
It's all I'm asking us to do, I still love youTry, put our egos aside
Why can't we just try?
That's all I'm asking us to do, I still love you
