

# New Shoes

## Recess Monkey

Woke up cold one Tuesday  
I'm looking tired and feeling quite sick  
I felt like there was something missing  
    In my day to day life  
    So I quickly opened the wardrobe  
Pulled out some jeans and a T-Shirt that seemed clean  
    Topped it off with a pair of old shoes  
    That were ripped around the seams  
And I thought these shoes just don't suit me  
    Hey, I put some new shoes on  
    And suddenly everything's right  
    I said, hey, I put some new shoes on  
    And everybody's smiling, it's so inviting  
    Oh, short on money but long on time  
    Slowly strolling in the sweet sunshine  
And I'm running late and I don't need an excuse  
    'Cause I'm wearing my brand new shoes  
    Woke up late one Thursday  
    I'm seeing stars as I'm rubbing my eyes  
    And I felt like there were two days missing  
        As I focused on the time  
        And I made my way to the kitchen  
        But had to stop from the shock of what I found  
The room full of all of my friends all dancing 'round and 'round  
    And I thought hello new shoes, bye bye blues  
    Hey, I put some new shoes on  
    And suddenly everything is right  
    I said, hey, I put some new shoes on  
    And everybody's smiling, it's so inviting  
    Oh, short on money but long on time  
    Slowly strolling in the sweet sunshine  
And I'm running late and I don't need an excuse  
    'Cause I'm wearing my brand new shoes  
    Take me wandering through these streets  
        Where bright lights and angels meet  
        Stone to stone they take me on  
        I'm walking 'til the break of dawn  
    Take me wandering through these streets  
        Where bright lights and angels meet

Stone to stone they take me on  
I'm walking 'til the break of dawn  
Hey, I put some new shoes on  
And suddenly everything is right  
I said, hey, I put some new shoes on  
And everybody's smiling, it's so inviting  
Oh, short on money but long on time  
Slowly strolling in the sweet sunshine  
And I'm running late and I don't need an excuse  
'Cause I'm wearing my brand new shoes  
Oh hey, I put some new shoes on  
And suddenly everything is right  
I said, hey, I put some new shoes on  
And everybody's smiling, it's so inviting  
Oh, short on money but long on time  
Slowly strolling in the sweet sunshine  
And I'm running late and I don't need an excuse  
'Cause I'm wearing my brand new shoes
