New lyrics and music by Cledus T. Judd/Scott Rouse/Ronnie Scaife, Cledus Crap Anthems (SESAC)/Shaboo Music (BMI)/Universal Music (BMI)She's so squeezable

Please-able

Unbreakable

She's inflatable

She's an arm full of sex appeal

Can't wait till I get her home

YeahShe's incapable

Of being difficult

Down to earth-able

Biodegradable

Shania Twain

Ain't got a dad blang thing

On my tease-able

Squeeze-able

Please-able

She's inflatableMost folks think I'm full of baloney

I'm never lonelyNever thought I could buy someone notFlammable

Air brain-able

Recycle-able

No I ain't full of bull

Didn't need a down payment on that pretty little plastic thingIt made my mama cry

When we ran off one night

And caught a Vegas flight

And I made her mom whineShe blew her mouth still when I gave her a ringMy flexible

Patch-able

Washable

Yeah inflatable(Oh Dang lady you give a new definition of taking a man's breath away)Makes me feel so proud
that I'm her feller

I'd never sell her

People get your mind out of the gu-gu-gu-gutterShe's blonde-head-able

Re-head-able

Brunet-able

Interchange-able

I didn't need a down payment

On that pretty little plastic thingShe's incapable

Of being difficult
Down to earth-able
Biodegradable
She blew her mouth still when I gave her a ring
My please-able
Patchable
Washable
Bio-degradableAir-brain-able
Squeezable
Washable
She's inflatable
That Diamond Rio song had way too many syllables
