

God Is My Friend

Frank Carter & The Rattlesnakes

Here I go, with snakes around my neck
Pound of iron on my chest
With this body made from lead
Am I toxic, do I poison what I love
Am I dangerous to trust
Explosive to this touch God why won't you let me go
Into the raging sea below
Into the storm cloud above
Because I can't stand your love
Send me to hell, it's where I belong
Don't be afraid, I won't be long
I'm coming straight back
No fear all attack
And when I do, I'm coming for you God why won't you let me go
Into the raging sea below
Into the storm cloud above
Because I can't stand your love Send me to hell, it's where I belong
Don't be afraid, I won't be long
I'm coming straight back
No fear all attack
And when I do, I'm coming for you
God why won't you let me go
Into the raging sea below
Into the storm cloud above
Because I can't stand your love
