Narcolepsy

Ben Folds Five

I should warn you, I go to sleep I know you don't know what I mean Yet, I get upset or happy I go to sleep Nothing hurts when I go to sleepBut I'm not tired, I'm not tired I'm not tired, I'm not tiredI know it seems that I don't care But something in me does, I swear I don't remember all last year I left you awake to cry the tearsWhile I was dreaming in the streams Flowing between the shores of joy and sadness I'm drowning, save me, wake me upI should warn you, I go to sleep You won't know when I go to sleep'Cause I'm not tired, I'm not tired I'm not tired, I'm not tired I'm not tired, I'm not tired, I'm not tiredI'm not tired, I'm not tired I'm not tired, I'm not tired I'm not tired, I'm not tired I'm not tired, I'm not tired, I just sleep
