

# Humour Me

## Kele

Two lovers mourning for the death of what used to be  
You turned your back on me  
And you chosed him  
Why can't you see me?  
Two lovers fearing for the end  
What they both can see  
Before what came to be  
Was I too rough?  
Why won't you hold me?  
Humour me  
Let me turn you out  
Come to me  
Let my love take you higher  
In your eyes  
In your heart  
There are secrets  
Too dark to hold  
Too wide to broach  
Just take my hand  
And don't let go  
My hands have no joy to give  
My voice has no hope to sing  
I am lost  
Because you can't find me  
Your words have a broken ring  
Your heart has no love to bring  
Because it's his  
I know the truth now  
Now  
Humour me  
Let me turn you out  
Come to me  
Let my love take you higher  
In your eyes  
In your heart  
There are secrets  
Too dark to hold  
Too wide to broach  
Just take my hand  
And don't let go

Don't let go
