Damage Done

Shaun Groves

Yesterday, once again
I fell down and broke a friend
Words were said, out of place
And I hope that it's not too lateTo right this wrong
'Cause I was wrongI struck the match and I burned the bridge
And I'm to blame for all of it
I lost your trust when I drew my sword
This distance is my just rewardCan I undo the damage done
Damage doneCouldn't sleep, part of me
Was crying out from hurtin' you
So afraid, you would say
There is nothing I can doTo right this wrong
'Cause I was wrongI struck the match and I burned the bridge
And I'm to blame for all of it
I lost your trust when I drew my sword
This distance is my just rewardCan I undo the damage done
Damage doneListen friend, I must confess
You deserve more and I gave you less
As it tears me up that I let you down
I'm sorry, I'm sorry'Cause I struck the match and I burned the bridge
And I'm to blame for all of it
I lost your trust when I drew my sword
This distance is my just rewardCan I undo the damage done
Damage doneI'm sorry
I'm sorry
