

# Swell

## Angie Aparo

Only Virginia so very kind  
All of her anyway that you desire  
Only Virginia so crucified  
And all of her dying keeps her aliveAnd swell  
Made up for everyone else  
Happy and horribly well  
The girl with her soul on a shelfOnly Virginia knows how to bleed  
All of her giving never comes free  
Only Virginia so desperately  
Wanting the whole world watching her miserySwell  
Made up for everyone else  
Happy and horribly well
