

Never Close Our Eyes (Audio)

[Adam Lambert](#)

I wish that this night would never be over
There's plenty of time to sleep when we die
So let's just stay awake until we grow older
If I had my way we'd never close our eyes, our eyes, never! I don't wanna let a minute get away
Cause we got no time to lose
None of us are promised to see tomorrow
And what we do is ours to choose Forget about the sunrise
Fight the sleep in your eyes
I don't wanna miss a second with you
Let's stay this way forever
It's only getting better if we want it to But you know I wish that this night would never be over
There's plenty of time to sleep when we die
So let's just stay awake until we grow older
If I had my way we'd never close our eyes, our eyes, never! It's so hard to think this would fade away
But what goes up must come down
Why can't we just live life with no consequence
And always living the now Forget about the sunrise
Fight the sleep in your eyes
I don't wanna miss a second with you
Let's stay this way forever
And only get it's better if we want it to You know I wish that this night would never be over
There's plenty of time to sleep when we die
So let's just stay awake until we grow older
If I had my way we'd never close our eyes, our eyes, never
