

# You Let Me Down

## Smile

You let me down  
You let me down  
I gave you everything I had to give  
And you let me down Whatever you say won't make me forget  
Whatever you say won't make me regret  
I gave you everything I had to give  
And you let me down Miss you is all I do  
Miss you is all I do  
I gave you everything I had to give  
Now miss you is all I do.
