

She's No Good

Basement Jaxx

So why do I yearn so
So very much for you
Hooked on adrenaline
It's found and known to make me do what I do

All my friends keep telling me
She's no good

I've been through the rain
Trying to drive myself sane
Monday morning, screw faces
Get off the train
Then I see two lovers until they smile into each others eyes
And I think

She's no good (She's no good)
She's no good (She's no good)
She's no good (No good)
She's no good (She's no good)
All my friends keep telling me
She's no good

Oh, I cannot learn this craziness, you like glue
You got me in a guillotine
Lady, what am I gonna do

All my friends keep telling me
She's no good

She's no good (She's no good)
She's no good (She's no good)
She's no good (No good)
She's no good (She's no good)
My friends keep telling me
She's no good

I want her back
(Oh, you know you need her like crack)
I need her so
I can't, I cannot let her go

Then I see two lovers until they smile into each others eyes
And I think of you

I'm so good
I'm so good
I'm so good
So, so good
I'm so good for you and you know it

I'm so good
I'm so good
I'm so good
So, so good
I'm so good for you and you know it

Shes no good, oh
I cant take it no more
Shes oh, oh, oh
So so so good
Aw baby, oh
I love you so now
I dont know no no no
