

Don't Ever Go Away (Por Causa de Voce)

Frank Sinatra & Antônio Carlos Jobim

Writer(s): ray gilbert-duran / antonio carlos jobim
Ah take a look and you'll see the way I have become and the
way things became

Sadness and sorrow are here in the little things you touched with your hands
This loving home was a home so happy to protect you and keep you with care
The flowers in the window were smiling were glowing just knowing you were there

Listen my love nevermore don't ever go away

Cause we are you are your life and your dream and we want you to stay

Come in my love come to me don't let this heartless world

Bring another good bye

Embrace me in a simple way

Don't speak don't remember and darling don't cry
