

Boogie Woogie Woman

B.B. King

Yeah, I got a boogie woogie woman
Boogie woogie all the time
Yeah, I got a boogie woogie woman
She boogie all the time
If she keep on boogyn'
She bound to lose her mind Well, she boogies in the mornin'
And she boogies all night long
Well, she boogies in the mornin'
And she boogies all night long
Yes, and the mornin' come
She's still goin' strong, alright Well, she boogies in the mornin'
And she boogies late at night
Well, she boogies in the mornin'
And she boogies late at night
Well, I don't mind her boogyn'
'Cause her boogyn' is alright Well, she's a bogie woogie woman
And she boogies all the time
Well, she's a bogie woogie woman
She boogies all the time
Well, if keep on boogyn'
She bound to lose her mind
