

# Lamb Of God

[Rebecca St. James](#)

I hear voice of many people  
I hear a voice like mighty thunder  
Singing Hallelujah for the Lord He reigns  
Singing Hallelujah for the Lord He reigns Lamb of God, Holy  
Lord You are Holy  
Lamb of God, Holy  
You are Holy So let us be glad, let us rejoice  
And let us give honor, glory to the Lord  
And may every tribe and every tongue  
Gather and sing praises to the Holy One Lamb of God, Holy  
Lord You are Holy  
Lamb of God, Holy  
You are Holy
