Stay High

Jonathan McReynolds

Heeeyyy... No ooooo hmmmmm
You can't catch a bird while it's flying in the air
No, you gotta wait till it comes to the ground
And you can't trap a saint while they're in mid flight
No, the devil's gotta wait till we come down

So I'll Stay High,
I ain't coming down for no reason, I'll be reading my word,
I ain't coming down for no satan, I'll be praying to my Lord,
I ain't coming down for no sinning, while I'm living for my God,
I ain't coming down for nobody, no I'll just Stay High
High High High
So watch me Fly
Fly Fly Fly

See we live with targets on our backs,
Cos all heaven and hell knows our worth,
So I'm standing guard, cos life's coming hard,
Soon as we walk out of the church.

So, I'll Stay High,
I ain't coming down for no reason, I'll be reading my word,
I ain't coming down for no satan, I'll be praying to my Lord,
I ain't coming down for no sinning, while I'm living for my God,
I ain't coming down for nobody, no I'll just Stay High
High High High High
So watch me Fly

No more devil, you won't catch me now
You can't trap me now
You won't keep me down,
Oh oh ooh ooh ooh OH!

Cos I'll stay high, high high high
So watch me fly, fly fly fly
