

Hey, Mr. Glider

Gare du Nord

Hey, mister glider
Where do you belong?
You're up in the air
With your radio on
And you're favourite song's sounding so good
On the air Well, me and my baby
We're flying alone
We'll have, lots of fun, with our radio on
And our favourite songs sounding so cool
On the air, on the air Oh, you slip into a slide
Well the fire burns inside
But check out your favourite station
And let's get high tonight When you're going for a ride
And everything's just alright
Check out your favourite station
And let's get high tonight I love you Hey, mister glider
Where do you belong?
