

# Firm In the Faith

## Jenny Phillips

In a world built on fleeting ground  
Where I see those around me falling down  
I am holding to who I am  
I am choosing my Father's plan  
And everyday I live  
I want to stand with Him

Firm in the faith  
Anchored in truth  
Solid in all that I do  
No turning away  
No shadow of doubt  
No storm has the power  
To drag me down  
I'm a witness in these latter days  
And I'm standing firm in the faith

I am set on returning home  
I want to remain in my Father's fold  
So I will follow wherever He leads  
Trusting His way in all things  
He has called me to His side  
And I will live my life

Firm in the faith  
Anchored in truth  
Solid in all that I do  
No turning away  
No shadow of doubt  
No storm has the power  
To drag me down  
I'm a witness in these latter days  
And I'm standing firm in the faith

Like Joseph, like Hyrum  
Like Daniel in the lion's den  
Like Mormon, like Ammon  
Like Helaman's young valiant men  
Like Esther, like Nephi

Like all the saints who followed Christ

Firm in the faith  
Anchored in truth  
Solid in all that I do  
No turning away  
No shadow of doubt  
No storm has the power  
To drag me down  
Iâ€™m a witness in these latter days  
And Iâ€™m standing firm in the faith
