

Crash! Boom! Bang!

Roxette

My Papa told me to stay out of trouble
When you've found your man, make sure he's for real
I've learned that nothing really lasts for ever
I sleep with the scars I wear that won't heal
They won't heal

Cos' every time I seem to fall in love
CRASH! BOOM! BANG!
I find the heart but then I hit the wall
CRASH! BOOM! BANG!

That's the call, that's the game
and the pain stays the same

I'm walking down this empty road to nowhere
I pass by the houses and blocks I once knew
My mama told me not to mess with sorrow
But I always did, and Lord, I still do
I'm still breaking the rule

I kick it up, I kick it down

Cos' every time I seem to fall in love
CRASH! BOOM! BANG!
I find the heart but then I hit the wall
CRASH! BOOM! BANG!

That's my real middle name
And it's always been the same

That's the call, that's the game
and the pain stays the same

I still feel the heat
(Slowly fallin' from the sky)
And the taste of the kissing
Shattered by rain
(comin' tumblin' from behind)
and the wild holy war

I kick it up, I kick it down

And every time I seem to fall in love

CRASH! BOOM! BANG!

I find the roses dying on the floor

CRASH! BOOM! BANG!

That's the call, that's the game

and the pain stays the same

That's my real middle name

And it's always been the same

Oh yeah oh yeah oh yeah

Been the same, been the same,

And it has always been the same,

It has always been the same
