

Only Everyone

Oh Pep!

Don't be scared
Just be prepared Speak what you're proven
Just as long as you keep moving I was sleeping but now I'm dreaming too
It's alarming how your dreams can infect you
But what can you do? Time has a way of making us feel bad
You have it all but still somehow feel sad And only everyone you know is going
Why do you have to sit at home
Only everyone you know is going
You don't have to be alone
Only everyone you know is going
Why do you have to sit at home
Only everyone you know is going
You don't have to be alone
No
