

# Down Payment Blues

[AC/DC](#)

I know that it's evil  
I know that it got to be  
No I ain't doin' much  
Doin' nothing means a lot to me  
Living on a shoe-string  
A fifty cent millionaire  
Open to charity  
Rock'n'roll (wellfare)Sittin' in a Cadillac  
Listenin' to the radio  
Suzy baby get on in  
Tells me where she wanna go  
I'm livin' in a nightmare  
She's looking like a wet dream  
I've got myself a Cadillac  
But I can't afford the gasolineI got holes in my shoes  
(And I'm way over due)  
Down payment bluesGet myself a steady job  
Some responsibility  
Can('t) even feed my cat  
On Social security  
Hiding from the rent man  
They make me wanna cry  
Sheriffs knockin'on my door  
Ain't if funny how the time fliesSitting on the sailing boat  
Sippin' on the champagne  
Suzy baby's all I've seen  
Says she wants to come on deck  
Feelin' like a paper cup  
Floating down the storm drainGot myself a sailing boatBut I can't afford the gasolineI got holes in my  
shoes(And I'm way over due)Down payment blues
